## CARPOOL SAFETY REMINDER:

### **K to 8th grade Morning Drop Off Reminder- Please pull up to the ramp.**

If you are the first car when you pull into drop off your child (ren), please pull all the way to cone #1, which is by the end of the ramp. If everyone who is first would do this, we can get 5-6 cars in the half circle and more children can exit their cars at one time. Please do not stop by the stairs unless there are cars in front of you. When you are the first car, your child can walk safely up the ramp to enter the building.

Also, if the driver needs to get out of the car, please park in the designated parking area and your child can walk up the ramp to enter the building. We are all headed in multiple directions in the morning and this will prevent holding up the drop off line. Please be respectful of this when dropping off your children.

Thank you for your cooperation on this!

## THIRD GRADE SERVICE PROJECT:

For their afternoon of service, our third graders made fleece tie blankets for the NICU at Good Samaritan hospital. This unit is near and dear to Mrs. Phillip's heart, as her daughter was the recipient of their tender care after her premature birth. St. Vivian serves!
