Fundraiser Success!

During Catholic Schools Week (CSW) this year, St. Vivian students were able to participate in many fun, innovative and Covid-19 friendly activities. Part of CSW is the focus on for whom/what we are thankful. The beginning of the week at St. Vivian focused on Community; specifically writing thank you notes to the Springfield Township Fire Department, EMS and Police Department.

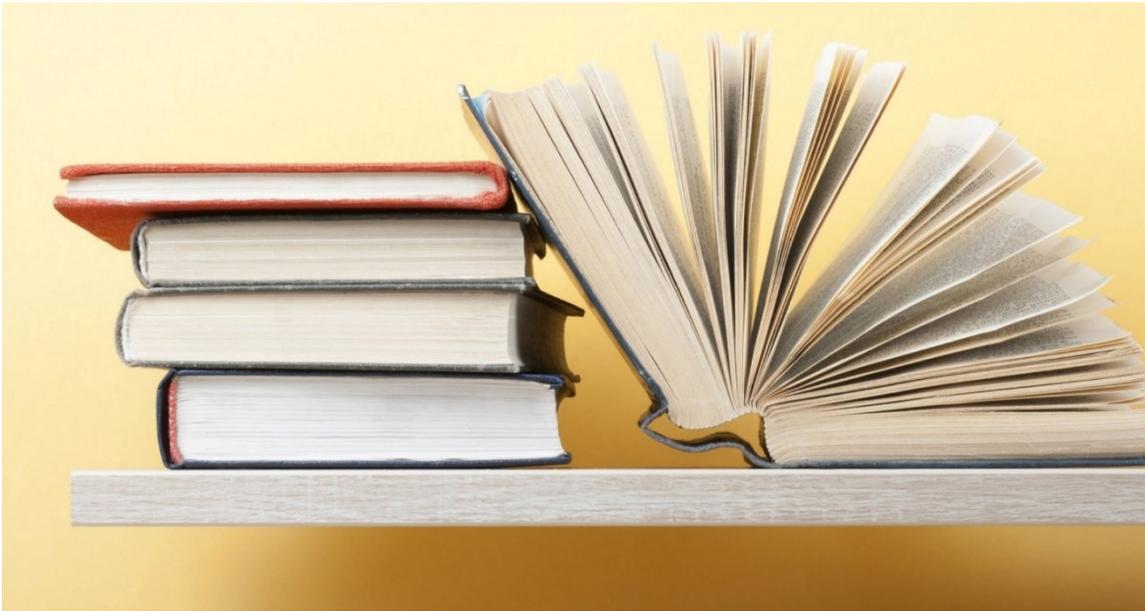

Fire Chief Leininger and his crew were so appreciative for the handmade cards and window signage that they came to the school and gave the kids their very own fire truck parade! Another week-long activity was a school-favorite fundraiser, “Penny Wars”. Classes are grouped into teams and compete to see who can bring in the most monies. The money collected is usually donated to a charity. After the wonderful parade, the kids loved the idea of donating the money to help future firefighters. The total amount collected by students was \$1,471.91 and was donated to the Northern Hills Firefighters Association for scholarships and equipment. Chief Leininger and six firefighters came (with truck) to St. Vivian School today so that Principal Michael Collins and the winning team could present the check. What a wonderful way for these kids to learn about true Gratitude and the gift of Service.
