Chaperones for Field Trips and Classroom Celebrations

As classes begin to schedule field trips and other events, please remember that only those adults that are Safe Parish trained and compliant may attend or chaperone an event with children.

Every person in a position which requires contact or interaction with youth or vulnerable adults must complete the **SafeParish™** edition of Protecting Children from Sexual Abuse training session before they are permitted to work or volunteer within any of the Archdiocese of Cincinnati parishes, schools, or institutions. No one under the age of 18 is permitted to complete the training.

In addition to completing the training, employees and volunteers must stay current in completing their interactive video-based **SafeParish™** quarterly bulletins on Child Protection in order to remain in compliance with the requirements of the Decree on Child Protection. Non-compliance will result in **SafeParish™** account non-approval and non-compliant employees and volunteers will no longer be permitted to work with youth or vulnerable adults until compliance is reestablished.

To access or register for your SafeParish account go to <http://www.aocsafeenvironment.org>.

It's the Great Pumpkin, Sabres!

Thank you to our wonderful PTA, particularly Mrs. Haber! The PTA has provided each homeroom with a pumpkin to decorate. The pumpkins will be judged next week and the top 3 homerooms will win a prize for their creations. The pumpkins will then be on display during the parent/caregiver conferences.

October Virtue

Each month we concentrate on a virtue and look for that virtue in our students. October's virtue is studiousness. Studiousness means to seek knowledge to grow closer to God. We read, learn, and experience new things in order to become educated and be studious. We will look for students in our homerooms that exhibit this virtue and we will celebrate those students that demonstrate it most at the last Mass of the month.

Sabre Clean-up Crew

Meet the St. Vivian Clean-up Crew! These ladies, after learning about the environment, asked to clean-up the parking lot and grounds by picking up trash during their recess time. We're very proud of and thankful for their caring attitude and thoughtfulness of our planet.
