Thursday, November 3, 2022

*****Please note that school will be closed tomorrow (Friday, 11-4)!**

Due to the volume of ill students and staff, we are giving everyone a day off to rest and get over illnesses. There will be no classes or extended care services.

We apologize for the inconvenience. Please make other childcare arrangements.

Daylight Savings Time

Don't forget to turn your clocks back on Saturday night/Sunday morning! Daylight Savings Time ends on Sunday, November 6.

Uniform Reminder

As the weather turns colder, please remember to send a coat for your child(ren) to wear at recess.

Also, as of Tuesday, November 1, shorts are no longer allowed to be worn as part of the uniform or out of uniform attire until the spring.

Lockdown Drill

On Tuesday, November 1, we participated in a lockdown drill with Officer Wilcher from the Springfield Township Police Department. The students reviewed procedures with their teachers on Monday and then we simulated an emergency situation on Tuesday. We appreciate everyone's cooperation and great team work!

In a *Wall Street Journal* article published on October 28, 2022, Catholic schools were recognized for their progress amid the pandemic. The article, “Amid the Pandemic, Progress in Catholic Schools” by Kathleen Porter-Magee, reported that the average score of 4th graders in Catholic schools was 17 points higher than public schools. In 8th grade, Catholic school students were about 20 points higher in reading than their public-school counterparts. The article noted that disaggregated data for race showed significant gains for black and Hispanic students enrolled in Catholic schools. Black students increased their scores by 10 points and Hispanic students increased their scores by 7 points. The information comes from the Nation’s Report Card published by the National Assessment of Educational Progress.

Chaperones for Field Trips and Classroom Celebrations

As classes begin to schedule field trips and other events, please remember that only those adults that are Safe Parish trained and compliant may attend or chaperone an event with children.

Every person in a position which requires contact or interaction with youth or vulnerable adults must complete the **SafeParish™** edition of Protecting Children from Sexual Abuse training session before they are permitted to work or volunteer within any of the Archdiocese of Cincinnati parishes, schools, or institutions. No one under the age of 18 is permitted to complete the training.

In addition to completing the training, employees and volunteers must stay current in completing their interactive video-based **SafeParish™** quarterly bulletins on Child Protection in order to remain in compliance with the requirements of the Decree on Child Protection. Non-compliance will result in **SafeParish™** account non-approval and non-compliant employees and volunteers will no longer be permitted to work with youth or vulnerable adults until compliance is reestablished.

To access or register for your SafeParish account go to <http://www.aocsafeenvironment.org>
