

Merry Christmas and Happy New Year!

From our family to yours, we wish you a merry and bright Christmas and a joyful New Year! May you have peace, good health, and joy in the new year ahead and may you enjoy Christmas with family and friends!

May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit. ROM 15:13

Christmas Break

Our Christmas break begins on Monday, December 19 and runs through Monday, January 2, 2023. The building will be closed and there will be no school or extended care services. Classes will resume on Tuesday, January 3, 2023. Enjoy the break!

Progress Reports AFTER Christmas Break

We apologize for the inconvenience but some teachers had technical difficulty in accessing progress reports to print and send home today. We will send home progress reports home when we return from break. They will go home on Friday, January 6.

Medication

As a reminder, please do not send any medication – even over the counter medication – with students to school. We know that students have been ill, but students can't have medication at school without a doctor's note and in original packaging. ALL medication must go through the nurse or office at all times. While one child may not have any negative effects taking a medication, someone else might. We have to be very careful to keep all medication away from students who do not have a prescription for it. Please keep all allergy, cough, aspirin, etc. medication at home and only dispense it at home. Thank you for your understanding!

December Virtue

Our virtue this month is patience. As we wait for the coming of Christ's birthday, we'll be practicing patience and imitating our 3 saints of the month – St. Monica, St. Isaac Jogue, and St. Rita of Cascia. Please help us to teach our Sabres this important virtue. We'll be recognizing students who exhibit this virtue most when we return from Christmas break.

REGISTER ONLINE AT:
