Friday, March 17 -No School

Friday, March 17 is an in-service day for staff members. Therefore, there will be no school and no extended care services on that day. Enjoy St. Patrick's Day with your family!

St. Vivian Easter Mission Collection

Each year we collect bagged candy, small toys, chocolate bunnies, or Easter baskets for children served by Catholic Charities. We're asking for your help in making 100 baskets. Students who bring in bagged candy, small toys, chocolate bunnies, or an Easter basket between March 6 and March 22 may be out of uniform on March 24. Our eighth graders will put the baskets together with their first-grade buddies for Catholic Charities. Please help us make 100 baskets to give away to children in need!

2023-2024 Student Council

Next school year, we would like to have a student council that represents interests of the students. Students will meet not less than monthly with the principal to discuss activities, ideas, and projects for classes. To begin that work right from the start of the school year, we will hold elections after spring break. Students in grades 5, 6, and 7 may pick up applications to run for student council from the office. Students must have no grade below a C – in any subject and get a recommendation from his/her homeroom teacher. Applications are due by March 31, with campaigns and elections to begin after spring break.

Spirit Wear Fridays and Charity Fridays

We will continue to host Sabre Spirit Wear Fridays the first Friday of each month and Out of Uniform for Charity Fridays the third Friday of each month. Students may be out of uniform as long as they wear their spirit wear t-shirt provided by PTA or other St. Vivian attire items like St. Vivian sweatpants on Sabre Spirit Wear Fridays. These upcoming Fridays are Sabre Spirit Wear Fridays:

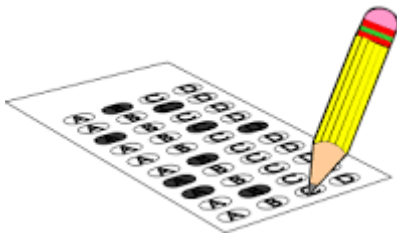

May 5 (In April, we will be on spring break the first Friday.)

These upcoming Fridays will be Out of Uniform for Charity:

March 24, April 21, and May 19

Students may bring in \$1 to be out of uniform on Charity Fridays.

**We will notify students of any changes that may occur due to special circumstances.*

IOWA Standardized Testing

Each year the state of Ohio requires students to test in reading, math, and science in certain grades. The window for this testing runs from March 13 – April 6 for grades 2-8. Not all grades will test in all subjects. However, please help students be prepared for testing by being in school during that window and getting plenty of rest the night before as well as eating breakfast the mornings of testing. As we get closer to our testing days, we will provide families with a schedule of which days students will test in which subjects.
