Progress Reports

Progress reports for second trimester were sent home with students today. Please check with your child(ren) for the report(s).

Inclement Weather/ School Closings

In the event that we have to close school due to inclement weather or some other emergency, we will send emails, texts, and phone calls to families via Option C. Please make sure that we have your current phone numbers and email addresses on file. If we have to close school, no morning care or extended care options will be available. Please plan ahead of time should children have to remain at home.

You may also check one of the following TV stations for closings.

I-Ready Diagnostics 2

The second diagnostic test for I-Ready skills measurement will take place this month. Testing will be scheduled in homerooms in reading and math and will conclude by January 26. The second diagnostic is meant to be a measurement of growth from the beginning of the school year. Families will receive reports once all testing and make-ups have been completed.

Service Hours Grades 4-8

Since we started a new trimester, this is a reminder that students in grades 4 – 8 need to complete service hours. Fourth grade needs to complete 3 service hours by Friday, February 9 and fifth, sixth, seventh, and eighth grades need to complete 5 service hours by Friday, February 9. Students can get service hour forms from their religion teacher. No extensions will be given. Service hours count as a quiz grade in religion.

January PTA Meeting

The next PTA meeting will be on Thursday, January 11 at 7:00 in Ursuline Hall. All are welcome to attend. PTA supports the school through fundraising efforts and family activities and is an important part of the school community. Please consider volunteering for an event or activity or getting involved in some other way.
