Catholic Education Fund Scholarships

Each year there is an application period for elementary students, grades preschool-8, to apply for tuition assistance scholarships through the Archdiocese of Cincinnati. The current deadline to apply is February 25, 2024. To apply, families will need to fully complete a FACTS Grant and Aid application by inputting financial information (such as sources of income, assets, and household expenses) including their prior year tax return and W2s. FACTS then uses an internally built calculation to determine financial need based on the family's ability to pay. Please note that a student is not eligible to receive a CEF Scholarship if he or she is on an Ohio EdChoice Scholarship or Jon Peterson Special Needs Scholarship that covers their full tuition balance. CEF funds can only be applied to a remaining tuition balance beyond the EdChoice or Jon Peterson scholarships. The CEF funds are not able to be applied to any outstanding fees or back owed tuition.

Awarding determinations will be made by the end of February and notification letters are sent to the family via USPS mail. Each school is provided a listing of awarded students and will receive payment in the fall of each year, after enrollment is verified.

We encourage all families to apply for the tuition assistance scholarship through the Archdiocese and the state of Ohio. If the state of Ohio does not award a family full scholarship, the Catholic Education Fund can apply to remaining tuition owed.
